Official State Parks Float

Tread Lightly!

Park Ranger Anne-Marie Frykberg; Jim Black with his back to the photo was on the other side of the float.

Notice the arm up on this float; it is our Administrator, cowboy Dave Morrow. Kim Copeland, Stacey Patane and Larry were the present day campers. To the left of the photo, Anke Simpson is the fisherman fishing at Lake Tahoe (blue area).

First Place was the Nevada Railroad Museum.

The following photos are a closer look of our float.
